About Us

The Vette City Blazers

The Vette City Blazers is an co-ed Summer Track and Field team for children in the Bowling Green, KY and surrounding area. Our mission is to provide a safe, supportive and fun environment for scholar-athletes to have a positive and meaningful experience participating on a successful athletic team. Track & Field is a lifelong sport, and with 18 different events, our team welcomes all to join and makes no cuts, making it accessible to any athlete .

Our training development program builds throughout the season, tapering for the post season when it counts. We train hard, recover, and repeat.. We also stress proper running mechanics through sprint drills and work on injury prevention through dynamic stretching and yoga. Coaches truly care about the well-being of each athlete in achieving their own personal goals.
